

INTERNATIONAL FLIGHT - ESTATE GROWN

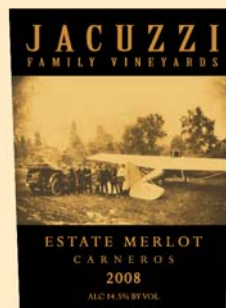

For most, the Jacuzzi name is synonymous with a whirlpool spa. But the family's history of invention began much earlier when the brothers created the famous toothpick propeller. It changed how airplanes flew in WWI, and more aviation inventions followed soon after. This wine honors the brothers' spirit, innovation, and dedication to family.

The Jacuzzi family estate vineyard located in the southern Sonoma Carneros region produces grapes that exhibit the classical fruit-forward flavors of Merlot.
