

# JACUZZI

FAMILY VINEYARDS

## PINOT GRIGIO

Pinot Grigio is widely planted in Italy and the best comes from the Friuli region where the Jacuzzi family once lived. Our Pinot Grigio vineyards are located in the cool climate Sonoma appellations. We pick our grapes when they achieve the ideal acidity level and flavor intensity. This creates a Pinot Grigio that is bright, crisp and well-balanced with delicious tropical, pear and peach flavors.
