BARBERA ACCOLADES

2007, MENDOCINO COUNTY

“Pleasing, 2 stars,” *BevX.com*, March 10, 2010

“Deep, red cherry color. The nose is dominated by dense, dried berries that lean toward stewed fruit aromas with accents of mineral that veers toward rust. The palate is in full agreement being dominated by dense, over-ripe berries with a big dose of alcohol heat. There is charm here as well but this Barbera is simply over-the-top leaving us wanting balance.”
