Male: "Intense cola over red fruit on the nose. There is good integration of fruit, oak and acidity. Love the racy finish"

Female: "Black cherry and cherry aromas carry through onto the palate. There is a nice lemon note in the mouth that uplifts the red fruit. Great balance. Nice acid."

Wine Pick of the week, by John Vankat, *Arizona Daily Sun*, January 7, 2009

"Start off 2009 by stealing wine. Not literally, of course, but figuratively you'll be stealing a bargain by paying just twenty dollars for this Pinot. Enjoy complexity in nose and taste, silky smooth texture and forward fruit. Then tell me if there's a better Pinot at this price (but don't both steal and lie). As food friendly as most Pinots, especially with salmon and lamb."

Wine, etc.: Wines to be thankful for, by Tom Marquardt and Patrick Darr, *The Capital*, November 19, 2009

.."Jacuzzi Family Vineyards Estate Pinot Noir Carneros 2006(\$20). Nice deep ripe cherry nose with a bit of earth and candied fruit. In the mouth this is a nice mediumbodied cherry flavored pinot that goes well with barbecued chicken and pork dishes. Not overly complex, but pleasing."
