

THE JACUZZI FAMILY STORY

In 1907, Fred Cline's grandfather, Valeriano Jacuzzi and his brothers immigrated from Italy to America hoping to create a better life for their family. Over the years, the Jacuzzi brothers built a dynasty based on agricultural innovations, which ultimately led to the invention of the famous Jacuzzi spa. Settling in Oakley, California, Valeriano Jacuzzi proffered his viticultural wisdom to his grandsons Fred and Matt Cline. In 1994, the Cline brothers honored their grandfathers' passion for winemaking by producing a reserve line of wines under the Jacuzzi Family label.

The winery building, a replica of the family home in the Friuli region in Italy, houses the Jacuzzi wines and winemaking facility, as well as The Olive Press. Wine and olive oil tasting offered daily. Private tours and tasting are conducted by appointment.

The Jacuzzi Family Vineyards offers its spectacular Italianate venues for private use for social occasions of all types.
